## Reading the Schedule

- 1 Find the schedule for the direction you wish to ride.
- 2 Find the timepoints nearest your origin and destination. The timepoints are shown on the map and indicate the time the bus is scheduled to be at that location. Your nearest bus stop may be between timepoints.
- 3 Read down the column to see the times when a trip will be at that timepoint. Read the times across to the right to see when the trip reaches other timepoints. If no time is shown, that trip does not serve that timepoint.
